

What to Expect

The Step Out of the Boat Conference is for common everyday people who want to make an impact in their culture, but don't really know how to get out of the rut and stay out.

Are you ready to be encouraged by the faith of others to do the things that God is asking you to do?

- By faith, Noah built an ark.
- By faith, David faced Goliath with a slingshot.
- By faith, Esther put her life on the line to save her nation.
- By faith, Peter stepped out of the boat.

Peter was a simple family man, a fisherman, who stepped out of the boat and showed us that real faith results in action. Peter's faith allowed him to walk on water. The other eleven (who stayed in the boat) marveled. Generations have talked about it, but only Peter experienced walking on water.

During the conference, you will be encouraged by the faith of twenty ordinary, yet Spirit-filled people of God who will tell their stories of overcoming fear and unbelief. You will hear first-hand what happened in their personal lives the day they stepped out of their comfortable boats and sold out to God.

Our speakers come from different cultures and denominations. In the past, it has included Amish, former Amish, Mennonite, Hutterite, Apostolic, Mormon, Jehovah's Witness, Two-by-Two, Branhamism, and various other man-made religions.

If you need a place to stay, you can either find lodging in Ashland, OH, or we will do our best to find a local home for you.

Plan now to move away from your comfort zone! Join us in March for our 6th Step Out of the Boat Conference. We'd love to see you there!

What Does it Mean to Step Out?

Stepping out of the boat— means getting out of your comfort zone. It means doing something you've never done before, or something that seems impossible or risky. It could be sharing your faith with someone, volunteering for a ministry, giving more generously, or making a big life change.

Stepping out of the boat— requires faith and obedience. It means listening to the voice of Jesus and responding with a yes, even if you don't fully understand or feel ready. It means trusting that He will be with you and empower you to do His will.

Stepping out of the boat— involves facing your fears and doubts. It means not letting the storms and waves of life distract you or discourage you from following Jesus. It means keeping your eyes on Him and relying on His grace and strength.

Stepping out of the boat— leads to growth and blessing. It means experiencing the power and presence of Jesus in a new way. It means seeing Him work miracles and wonders in your life and in the lives of others. It means worshiping Him and glorifying Him as the Son of God.

Step Out of the Boat

Conference!

March 10-13, 2027

I know. It's a lot less stressful when we can just sit in the boat and coast on down the river. We stay dry. Protected. Relaxed. Normal. Comfortable. We fit in with the multitude. That is, until Jesus calls our name and we have little or nothing to show.

You don't particularly like it. Life is dead and monotonous. You'd love to make a bigger impact on THIS generation. You've wondered what it would be like to experience the supernatural and holy anointing of God's power in your life, but you can't seem to get out of your boat. You are stuck in a rut.

For those reasons, we are planning our 6th *Step Out of the Boat Conference* - March 18, 19, 20, 21. YOU are invited to come and hear real stories from common everyday people who stepped out, grabbed hold of God's hand, and agreed to go wherever God led them. Hear what God is doing through them now. You will be encouraged, weep, feel connected, be challenged, and leave with a greater level of faith. This is our generation; our turn to stand and make a difference!
